

# Andover North American R&D Room Layouts

## Layout Options

### Standard / U-Shape

For interactive discussions, leader at the head of the setup. Each table seats two people. Power available, upon request.

### Classroom

Used for medium- to large-size lectures, and when a great deal of note taking will take place. Power is available, upon request.

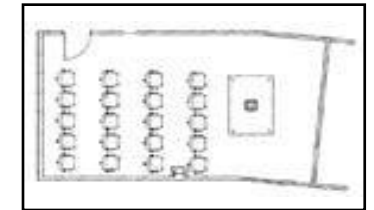

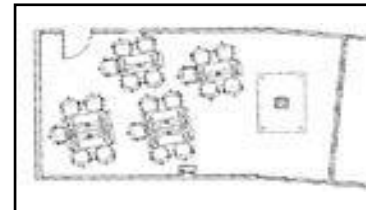

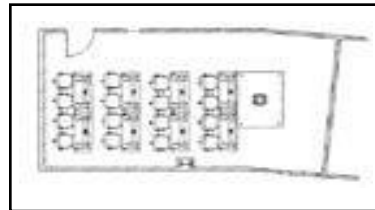

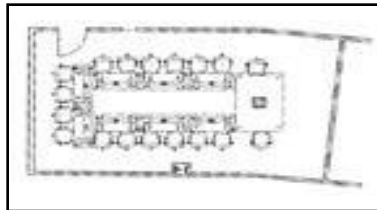

### Block

Used for small training groups or workshops. Pods seat six people, two per table. Power is available, upon request.

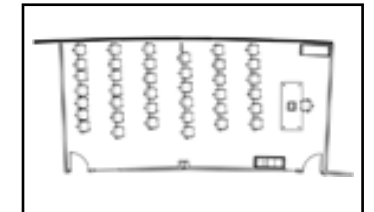

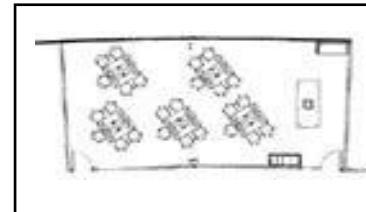

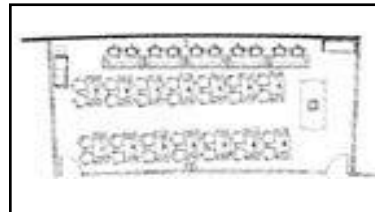

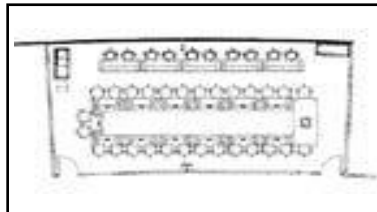

### Auditorium

Used for large sessions that do not require extensive note taking. Typically used for events like open lines, town hall meetings, and guest speakers.
